An animals Story!

BY Kian

once there was a
Lion called Tom.

Tom had a friend called chick.

Tom's friends all say "you can't play with chick."

"He is too small, he is not strong and brave like us."

Tom said "chick is my friend."

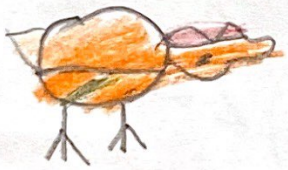
Then one day
Tom was gone.

He was not
at home.

None of his friends
could find him.

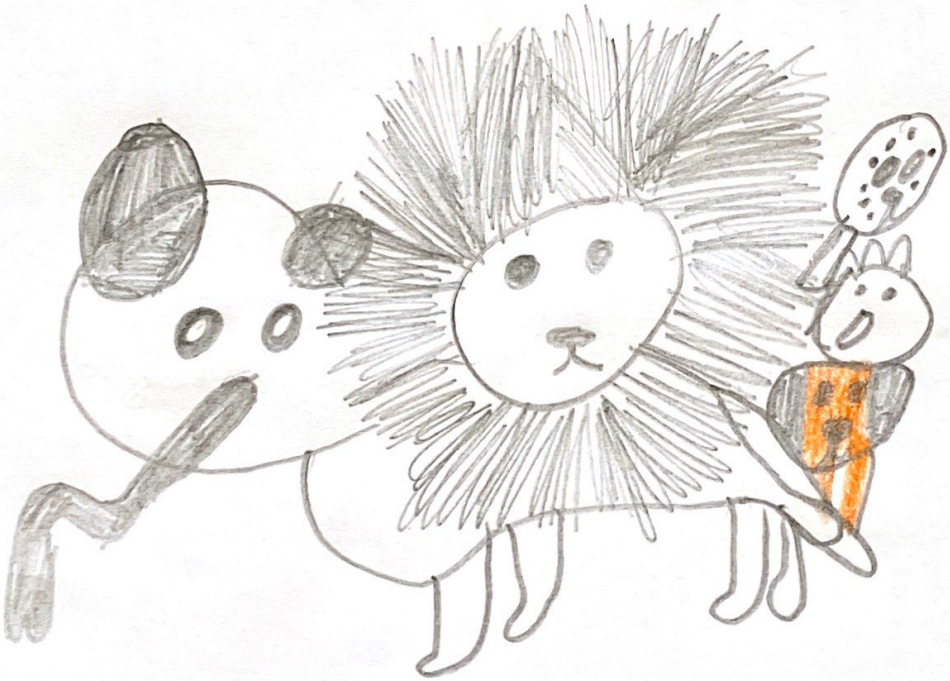
Then chick said "I will find him."

Tom's friends all say
"You can't find him,
You are too small
and Scared."



But chick went. He went through the forest into the Jungle and found Tom Sleeping

Then chick said "wake up! Let's go home."

Chick brought Tom home.


And from then on
every one knew
chick was not too
small to be brave.
