

10. *What support do we have for you as a parent of a child with SEND?*

The class teacher is regularly available to discuss your child's progress and any concerns that you may have. This also provides opportunities to share information about what is working well at home and school, so that similar strategies can be used.

- The SENDCo is available to meet with you to discuss your child's progress or any concerns/worries you may have.
- All information from outside professionals will be discussed with you and with the person involved directly, where this is not possible, a report will be provided.
- Personal progress targets /IEPs/ IBPs will be reviewed with the involvement of you and your child every term. Our child friendly version is called a Pupil Passport and children are encouraged to take responsibility for checking regularly that they are remembering their targets.
- Homework may be adjusted as needed to support your child's individual requirements.
- A home-school contact book may be used to aid communication with you when this has been agreed to be useful for you and your child.
- We can also pass on leaflets from the Parent Partnership Service who have free advice for parents – now called 'SEND Information, Advice and Support Service' (SENDIASS) For further information contact <https://www.cambridgeshire.gov.uk/pps> 01223 699214 or email sendiass@cambridgeshire.gov.uk [Link to SENDIASS information](#)
