

DT

We will look at free standing structures and design and build our own model home for a fairy tale character to live in.

ART

We will practise our skills of colour-mixing & painting using shape & colour. We will look at the work of the artists Mondrian, Herbin, Klee & Kandinsky.

SCIENCE

We will learn to identify materials and their properties and discover how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. We will learn to compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.

We will also observe changes across the four seasons and observe and describe weather associated with the seasons and how day length varies.

GEOGRAPHY

We will learn to name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.

We will develop our geographical vocabulary to describe places.

HISTORY

We will be working to develop our knowledge and understanding of history by using a range of sources, asking questions and understanding how national life has changed because of these events.

We will learn about events beyond living memory such as The Great Fire of London. We will also learn about significant individuals in the past such as Samuel Pepys, Christopher Wren and King Charles I.

The Big City

MEDIUM TERM PLANNING

YEAR 1/2 AUTUMN TERM 2020

MUSIC

We will learn to listen with concentration and understanding to a range of high-quality live and recorded music.

PE

We will develop our key skills including co-ordination, fitness and teamwork.

RE

We will learn about special places for Christians such as churches. We will learn what happens there and why people go. We will learn about Christian life including festivals.

ENGLISH

We will explore a variety of different text types this term that will include: Fairy Tales, Traditional Tales, poems, writing instructions, recounts and The Christmas Story. We will also develop our skills in phonics, spelling and grammar.

MATHS

We will learn about the four number operations of addition, subtraction, multiplication and division and will embed problem-solving in to our work. We will also learn about length, time, money, fractions and shape.

COMPUTING

We will learn to recognise common uses of information technology beyond school. We will learn about e-safety and will use technology safely and respectfully, keeping personal information private. We will learn to use Purple Mash to upload our homework activities.
