

Year 1 and 2 Maths Facts to Learn at Home

By the end of year 2 your child should be able to recall the following facts fluently. Being able to recall these facts allows children to be able to focus on thinking more deeply about solving problems and enrichment type activities. It is a good idea for Year 1s to start learning these facts as well as for Year 2 to consolidate them.

There are some excellent online resources such as <https://www.topmarks.co.uk/maths-games/hit-the-button> which the children enjoy.

Many thanks for your continued support.

		Adding 1		Bonds to 10		Adding 10		Bridging/ compensating			
		Adding 2		Adding 0		Doubles		Near doubles		Y1 facts Y2 facts	
+	0	1	2	3	4	5	6	7	8	9	10
