

'Our Wonderful World'

Year 3/4 Topic Homework - Spring Term

Choose **at least one** activity to be presented during the term.

Make sure that you complete your work to a high standard, building up skills and knowledge.

| | | | |
|--|--|---|---|
| <p>Explore the world using Google Earth or an atlas.</p> <p>What did you find? Record in your own way.</p> | <p>Design a postcard for a visit to a famous building or landmark. Include: what you have seen, what you have done and what the most exciting thing was.</p> | <p>Make a 3D model of a mega structure or famous landmark using junk modelling materials and label appropriately.</p> | <p>Pretend that you are giving people a guided tour of a famous building or landmark. What information and facts would you need to include?</p> |
| <p>Make a film or a Power Point Presentation about a famous building, landmark, river or mountain range.</p> | <p>Research a natural part of the world such as a rainforest, mountain range or desert and create a fact file.</p> | <p>Make a labelled collage or a painting of a famous building or landmark.</p> | <p>Choose 5 or more landmarks from around the world. Find out how far away they are from London. Present your information in a chart, table or graph.</p> |
| <p>Write a poem, in a style of your choice, about a famous place.</p> | <p>Research the 7 Wonders of The World. What are they? Where would you find them?</p> | <p>Create a megastructure from food. This could be a cake or a tower made from biscuits, for example.</p> | <p>If you had to choose your own 7 'Wonders of The World,' what would they be? Explain why you chose them.</p> |
