

Using Devices other than a laptop, desktop or generic tablets to access Remote Learning Platforms

Please see below alternative methods of accessing Purple Mash and Tapestry.

Please note that it may depend on what version you have of these devices unfortunately we have been unable to fully verify this information but have checked these instructions on the devices shown in brackets)

PlayStation (PS4)

Identify the Play Station internet browser icon (it is WWW with dots around it)

Press the PlayStation logo on the controller

Go to the library and find options for 'games and applications'

Go in to applications and you will find the internet browser

Type in: Purple Mash or Tapestry into the browser

Go to the Log in section and log in as you would in school

Xbox (1S)

Plug a keyboard into the Xbox USB slot

Go in to 'my games and apps'

Find Microsoft Edge and select

Type in: Purple Mash or Tapestry

Go to the Log in section and log in as you would in school

Kindle Fire (7)

Tap on the Web button at the far right of the library tools displayed across the top of the Kindle Fire Home screen to see 'Silk'.

To go directly to a page, tap in the Address field (note that this field will act as a Search field if you enter a word or phrase or as an Address field if you enter a website's address, or URL).

Type in: Purple Mash or Tapestry

Go to the Log in section and log in as you would in school

You can bookmark this sites in Silk so that you can easily come back to it.
