

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

The children slipped through the hole and crept along a narrow gravel pathway.

1

Lucy worked out how to get to the other side.

In a small lobby, the children noticed a large computer printout.

The children were faced with a huge wall.

The children found an open door and entered the building.
