

The best ever playdough recipe without cream of tartar

Ingredients:

- 1 cup Flour
- 1/2 cup of Salt
- 1 teaspoon Vegetable oil
- A few drops of food colouring (gel or liquid)
- 1/2 cup water
- Scent (if you want it to smell nice)

How to make:

Step 1: Measure out your flour and pour it into your bowl. Next measure out half a cup of salt and pour this into the same bowl.

Step 2: Fill your cup with half a cup of water, add some food colouring to the water.

Step 3: Add the water and food colouring to the dry ingredients slowly and mix well. You may want to use your hands if the spoon is a little tricky. If your mixture is too sticky add a little more flour.

Step 4: Add vegetable oil at the end and continue kneading.

Just a note this playdough recipe can last for few weeks. It can be stored in the fridge in an air tight container.
