There is definitely....
Just imagine...
It will be beneficial...
I recommend...
Why don't you try...
I'm sure you agree...

Against

However...
One disadvantage is...
I disapprove...
On the other hand...
Without a doubt...
It is unfair...
I disagree because...
What if...
I dispute this....
Although...
How can I...
In addition...
One major issue...
What would happen...
It contradicts....
One argument is...

Persuasive Sentence Starters

I must say that...

It is quite obvious that...

Others agree that...

Without a doubt...

People all over the world understand that...

In my personal opinion...

I am absolutely certain that...

In truth,

I feel extremely confident that...

It is imperative that...

It is vitally important that...

Clearly,

Things to remember:

- Use lots of persuasive sentence openers
- Ask rhetorical questions
- Use emotive language
- Encourage empathy
- Understand what their motivations are
(say why what you want is good for both of you)
