Geography tasks

This week's lesson is on tsunamis. We have found four interesting videos but think one in particular will be the most useful in helping you understand tsunamis - even if it is a little odd.

Art

This week, you should continue creating your Peter Thorpe inspired art.

If you're finished, try a new design or medium – get creative!

Remember to upload a picture of it onto purplemash if you can, then your teacher can enjoy it

Music

Gustav Holst – The planets

This week, you will be focusing on the finale of the music for two planets: Mars and Venus

Listen to the finale of 'Mars: Bringer of War' (Roughly 6:20 - until the end)

<https://www.youtube.com/watch?v=Jmk5frp6-3Q>

Listen to the finale of 'Venus: Bringer of Peace' (Roughly 7:30 until the end)

<https://www.youtube.com/watch?v=5Hpb2gp4mtc>

As you are listening, think about how they differ in the emotions they make you feel. What do you picture in your head when you listen to them?

You could contrast your feelings when listening to both, or draw the scenes that you picture in your head side by side and then compare them.

Computing

Blogging

You may have started a blog on purplemash with your class teacher last term. If so, use this time to update and add to your blog. Spend at least 30 minutes adding to your blog.

If you haven't started one yet, explore how to set up a blog by using '2blog' on purplemash to do so. To get going simply search 2blog in purplemash and create a pupil blog using the green plus symbol. If you get stuck, you could email a friend or ask your teacher for some help.

You may also like to appreciate other people's blogs. Visit your classmates' and leave some friendly comments.

P.E

Joe Wicks is returning to do live 'PE with Joe' videos on a Monday, Wednesday and Friday. These can be watched live or at another time if more convenient. These are great videos to use for exercise or feel free to choose others. Simply go onto YouTube and search PE with Joe Wicks.

Also see Mrs Turian's '**Remote learning P.E PDF**' for other ideas. Choose whatever suits you at home!

French

1) **French:**

This week there is a Year 5 (for Year 5s!) and a Year 6 task (For Year 6s!) to complete in French. These are saved as a **PDF**

The knowledge you need for these tasks is all in last week's French video. So if you need, watch the video from last week again. The link is below, but remember it will have last week's (WB 25.1.21) password!
