

Year 3 and 4 'Remote-Learning' Activities Commencing WB 8.2.21

Assemblies are available throughout the week from Mrs Norden and other members of staff.

	English Task	Maths Task	Daily Reading Time	Extra Task
<p>Mon</p> <p>Jo Wicks Workout - 9am on You Tube</p>	<p>1a. English - Spelling Activity - spellings have been set as a 2Do on Purple Mash. Look at the new spelling pattern. Practise the spellings on the 'LSCWC sheet' for 15 minute every day at the start of your English lesson ready for a test on Friday. (choose the correct group - Paddington, Barnaby, Rupert)</p> <p>1b. Grammar Activity - <u>L.O. To understand and use prepositions</u> <u>Learning:</u> https://www.bbc.co.uk/bitesize/articles/zh8nscw Look at the 2 videos from the BBC website to understand what prepositions are. Then complete activity 1 to check your understanding. <u>Activity:</u> Complete the activity 'A messy room'</p>	<p>Maths - See the Maths Information Sheet telling you about the week's activities.</p> <p><u>Learning Objective:</u> <u>Recall and use multiplication and division facts for the 3, 4, 6 and 8 multiplication tables</u></p> <p>Watch Mrs Namur's video to help you. https://vimeo.com/508395311</p>	<p><u>LO. To read texts and then ask and answer questions about them.</u></p> <p>Build in 30 minutes of reading activity every day.</p> <p>Lesson 1: Click on the link https://www.bbc.co.uk/bitesize/articles/zqqr2p Watch the short clip to learn about how to make sense of what you read. Find out about using strategies for reading and inference.</p>	<p>Topic - Our Wonderful World <u>LO: To locate areas of similar environmental regions.</u></p> <p>Watch Mrs Namur's video following the Powerpoint on Climate zones. https://vimeo.com/508854380</p> <p>(In the video, we are watching a clip but the sound quality is very poor. If you are struggling to hear, please skip this part in the video and access the video directly using this link https://www.bbc.co.uk/bitesize/clips/zr7hyrd)</p> <p>What makes these climate zones distinct?</p> <p>On your year group's blank world map, identify the different climate zones.</p> <p>See if you can locate desert, rainforest and/or polar regions on this map. Can you locate any countries in these regions?</p> <p>Challenge: Describe what climate zones are like in different parts of the world as an information page.</p>

				<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) or the climate zone images provided.</p> <p>If you have time when you have finished, you might like to watch this 15 minute video about animals in different climates: https://youtu.be/kHKNCte6vdU</p>
Tues	<p>2a. Handwriting Activity - Using your neatest handwriting, trace the poem 'The crocodile' by Lewis Carroll Use handwriting crocodile sheet for this</p> <p>2b- French <u>L.O. I know my shapes and colour in French.</u> Watch the following video from Mme Millard and complete the sheet called 'Les formes' https://vimeo.com/506487750</p> <p>Live Video Sessions - check the timings for your class and make sure you have the password ready. Swans 9:15am, Kingfishers 9:45am and Badgers 10:15am</p>	<p>Maths - See the Maths Information Sheet telling you about the week's activities.</p> <p><u>Learning Objective:</u> <u>Solve problems involving multiplying and add, including using the distributive law to multiply two digit numbers by one-digit.</u></p> <p>Watch Mrs Namur's video to help you. https://vimeo.com/508395434</p>	<p>Build in 30 minutes of reading activity every day.</p> <p>Click on the same link as earlier in the week. Complete Activity 1. Read the character description of Mr Simmons and then answer the quiz questions.</p>	<p>Art - LO. To develop artistic skills of your choice</p> <p>Explore any art materials that you have at home and create an art masterpiece. Have fun - you can paint, make a collage, 3D model form recycled materials or do whatever you fancy. Link your work to our village Swavesey. You may decide to focus on your sketching skills. Go for a walk and take a photo of a building or place in the village and then return home and do a detailed sketch.</p>
Wed	<p>3. English: <u>L.O. I can plan a playscript</u> Remember the acting you did last week. Today we want to prepare for writing the playscript for it. Use the planning playscript sheet to do so. You will need a title for your play and a title for your scene. Then write some notes on the different parts of your scene.</p>	<p>Maths - See the Maths Information Sheet telling you about the week's activities.</p> <p><u>L.O. I can multiply using a formal method (grid)</u></p>	<p>Build in 30 minutes of reading activity every day.</p> <p>Click on the same link as earlier in the week. Complete Activity 2. Watch the video of The Prince Who Thinks</p>	<p>Science - LO. To be able to draw scientific conclusions</p> <p>Look at the Power Point called Y3.4 WB8.2.21 SCIENCE - Drawing Conclusions</p> <p>Use your knowledge and findings from last week to decide whether the statements are true or false. Tick the sentences on the third page that are true.</p>

	<p>When your plan is done, Use 2Do write a playscript start writing your titles and the 'setting the scene' section.</p> <p>Watch Mrs Namur's video to help you. https://vimeo.com/508395081</p>	<p>Watch Mrs Namur's video to help you. https://vimeo.com/508395167</p>	<p>He Is A Rooster and answer questions.</p>	<p>Write a detailed conclusion using these statements.</p>
<p>Thu</p>	<p>4. English <u>L.O. I can write a playscript.</u></p> <p>Today you will continue write your playscript using 2Do write a playscript. Start with your first event and record the children's dialogue (what they say). Remember to give clear stage directions in brackets so anyone picking up your script could act it out the way you want them to. Continue with your 2nd and 3rd event.</p> <p>Watch Miss Proctor's video to help you. https://vimeo.com/508395389</p>	<p>Maths - See the Maths Information Sheet telling you about the week's activities.</p> <p><u>L.O. I can multiply using the column method</u></p> <p>Watch Miss Proctor's video to help you. https://vimeo.com/508470075</p>	<p>Build in 30 minutes of reading activity every day.</p> <p>Click on the same link as earlier in the week. Complete Activity 3. Read the passage about a dragon. Then answer the four questions beneath it.</p>	<p>ICT: Simulations week 3. There is a Dark side of Elpmis guide for adult which talks you through the missions scene by scene. If you have an adult with you, they can use it to support you throughout your mission.</p> <p><u>Lo: to work through and evaluate a complex simulation.</u></p> <p>With the help of this computer, we are going on a journey far, far away from Earth and far, far into the future. You are now space cadets (trainee astronauts if you prefer!). You are on your final training mission. If you succeed, you will become qualified astronauts. Are you ready?</p> <p>Before you start, make sure you print or have open the Before you start part 1 document.</p> <p>Complete 2DO: Dark Side of Elpmis part 1. Follow the instructions and make decisions on the mission. Once you have completed the mission in part 1, you will then receive the instructions to complete the mission for 2Do Dark side of Elpmis part 2. Don't forget to count your score using the Evaluate your mission document.</p> <p>Extra Task:</p>

				When both missions have been completed, you may choose to complete either the Captain's logbook or write an Incident report for Mission Control. (both on the before you start document)
<p>Fri</p> <p>Jo Wicks Workout - 9am on You Tube</p>	<p>5. Our Reading Spine Book is 'The Lion, the Witch and the Wardrobe' by C.S Lewis.</p> <p>Activity: Continue reading through the story 'The lion, the witch and the wardrobe' for at least 15 minutes.</p> <p><u>L.O. I can proof read and edit my writing.</u></p> <p>If you have not quite finished writing your script then start by doing so. Then, look at the success criteria sheet. For each criteria, find examples from your work. If you cannot find any, then using your blue editing pen, add what is missing. Watch Miss Proctor's video to help you. https://vimeo.com/508395223</p> <p>Spellings - Test yourself on spellings set earlier in the week. Self-mark your work.</p>	<p>Maths - See the Maths Information Sheet telling you about the week's activities.</p> <p>Learning Objectives: To recall x tables efficiently and accurately.</p>	<p>Build in 30 minutes of reading activity every day.</p> <p>Enjoy 30 minutes of reading for pleasure.</p>	<p>PSHE</p> <p><u>LO: To understand how to value difference and respect diversity.</u></p> <p>Look back at your melting pots from the last two weeks. One pot was about yourself and one was about other people in the world. Now make a list of all the benefits of everybody in the world being unique and different. Watch Miss Proctor's video to help you. https://vimeo.com/508395276</p> <p>Topic Homework Choice</p> <p>Look at the 'On-going Homework Choice' sheet to develop your independent learning skills.</p> <p>Continue to work on an activity.</p> <p>Remember to plan first to get the best quality of work.</p>

Additional Reading:

Visit the virtual school library by clicking on the link to out about author's, illustrators and read their free books on line.

<https://library.thenational.academy/>

Also click on the following link to access a free book, Sally Gardner's **Mr Tiger, Betsy and the Blue Moon**. You can read the book or listen to the audio version.

https://library.thenational.academy/meet-mr-tiger-betsy-and-the-blue-moon-with-sally-gardner/?mc_cid=1f5f51e64e&mc_eid=d22bde1f93

Don't Forget:

Mindfulness Activity – Practice Yoga.

Spend ten minutes practicing some simple yoga postures, If you're not sure about how to do the postures, you can simply follow this video:

https://www.youtube.com/watch?v=EmeTZGr_R5Q

Music: Listening to music can be relaxing and is good for your body. Listen to different pieces of music. What types of pieces help you relax the most?

Get plenty of exercise – aim for an hour a day! Can you go for a walk or a bike ride or play out in your garden? Check out **Mrs Turian's Remote Learning PE ideas saved in your PM folder.**

Play board games with your family.

Remember to have fun!
