

## Phonics assessment

To support us with our phonics planning for after half term, please complete and return this assessment sheet by Monday 15<sup>th</sup> February. If your child is in school on Friday, we will do this with them. Please be aware that the last 3 sounds are being taught this week so you may want to do this assessment after then, or focus on a row each day until then.

First watch this video on pronunciation of sounds [https://www.youtube.com/watch?v=TTe5\\_Em0BHQ](https://www.youtube.com/watch?v=TTe5_Em0BHQ) start from 0.49 seconds for digraphs and trigraphs. Ensure your child is saying them accurately. Please circle the sounds your child knows, leave the others blank so it is clear they still haven't retained them.

Please be as honest as you can. At this point, we would fully expect to see some sounds missing, this is normal 😊
