

Ice Bowling

What you need:

Balloons

A freezer

Food colouring (optional)

What to do:

1. Fill the balloon (from a tap) with water.
2. Add food colouring or paint, tie the balloon and freeze overnight.
3. Fill some plastic balloons with water to create home-made skittles.

You may want to add food colouring to these to make them even more exciting!!

Enjoy your game of skittles. How many can you knock over?
