

Dear Parents and Carers,

Just a few quick updates today. We hope you have a lovely weekend.

**'Swavesey's Got Talent'** - Please see the grid below for details on when the heats will be for each bubble. Children just need to inform their class teacher that they want to enter and arrive on the day of the heat with any relevant resources. If the resources would require an adult to support the children with bringing them in, then please email the school office so we can decide on a suitable time of the day within our safety measures for these to be dropped off and collected.

A little reminder for the children – a performance should be no longer than 5 minutes maximum.

**Heats:**

Reception	Friday 18 <sup>th</sup> June
Year 1 and 2	Friday 18 <sup>th</sup> June
Year 3 and 4	Thursday 17 <sup>th</sup> June
Year 5 and 6	Friday 18 <sup>th</sup> June

**School Dinners** – Please do not forget to order your child's school meals (hot and packed) through MCaS. The menu can be found on the website [here](#). Even if your child is in Reception and KS1 where meals are paid for by the government we need to have bookings in advance to support food ordering.

**School Games Day** - Whilst we are awaiting the announcements from both the government and the Local Authority, early indications, especially from the LA, are that we will be keeping all safety measures in place probably until the end of term. This means that it is highly unlikely that we will be able to invite adults to join us for the activities as hoped. If this is the case the children will still do the sports activities but unfortunately without an audience.

**Community Updates:**

**Summer holiday activities** – external providers and community partners are beginning to send through details of summer courses and activities for the children please see their flyers for details on our website [here](#)

Stay safe and positive.

Kind regards,  
Anna-Claire Norden  
Headteacher
