What You'll Need -Cardstock -Cardboard Tube-
Rubber Bands-Stickers-Markers

What to Do

1. Roll a piece of cardstock over a cardboard tube. Add some rubber bands.

2. Decorate your telescope with stickers and markers.

3. Pull the tube to make your telescope longer.

Look up in the sky! It's a bird! It's a plane! It's . . . yes, that's a bird. And that's a plane. When you make this telescope with your child, have fun watching for birds, planes, and other flying objects.

Praise immediately

Phrases to help you get started.
