

Dear Parents and Carers,

Just a few updates today. We hope you have a lovely weekend.

'Swavesey's Got Talent' – Today's final was a fabulous event and we are thrilled that despite restrictions we have been able to return to our annual event. Particular thanks must go to Mr O'Neill for all his organisation, the 'masked' judges (who must have been rather warm this afternoon in their costumes) and Mr Pickering, one of our parents, who provided much needed technical equipment and advice to make the event more professional due to its 'virtual nature'.

It has been wonderful to see all the talents across the school through the heats and today's final – a huge well done to all the children who have participated and congratulations to the winners.

The winners of each category are as follows:

Reception and KS1 – Mateen

Year3 and 4 – Thomas and Zachary

Year 5 and 6 – Zack

School Games Day – All children need to come to school in their PE kits on Monday wearing their house colour T-shirt where possible. The weather may 'stop play' but at this time we are planning to go ahead if at all possible. If it is too wet then PE lessons will be used over the next couple of weeks so the children can still participate in the activities.

Please also ensure they have a filled water bottle and should it look as though the sun will be out - sun hats and sun cream applications will needed too.

Pick ups on Tuesday –

Rabbit class pick up from school on Tuesday: On Tuesday afternoon Rabbits class will be ready for collection from the hall door in the back playground and will not be coming out at the front as usual. So please keep going round the school to collect them from there.

Teaching Staff training session – The teaching staff have a professional development session which is being hosted by an external provider and it is important that we are able to start on time. We had our first session two weeks ago and were unfortunately late starting due to waiting for children to be collected past the 3.20pm. So please can we ask you to be especially vigilant with your pick-up times so the staff can join the session promptly.

Community Updates:

Summer holiday activities – external providers and community partners are sending through details of summer courses and activities for the children please see their flyers for details on our website [here](#)

A new addition for this week is Sports Stars holiday camps running at Fen Drayton School.

Stay safe and positive.

Kind regards,
Anna-Claire Norden
Headteacher
