Governors' Annual Report and a sad goodbye to our Chair of Governors- Please find attached the governors annual reports. There is an overview from the Chair of Governors and then two committee reports.

Colin Oakman, our Chair of Governors, is leaving us this term after several 3 year 'terms' on the governing body and as the chair for the last three years. He has been a great advocate for the school and we have benefitted from his financial expertise and passion for the education of our children. We thank him for all he has done for the school in his time with us as a governor, and also previously as a parent, and wish him well.

Lynsey Fulcher, who is at present the Chair of our governors' Resources committee, will take the Chair of governor role from September 2021.

Read for Good

Wonderful news! As part of our sponsored read, **Read for Good**, we have so far managed to raise **£1273**. I am aware that more money is currently being paid into our account which should send our total to **approximately £1500 = a new school record!**

I would like to thank you once again for your generosity and for helping children who are in hospital, as well as contributing to our school funds so that we can buy new books for the children.

I hope that you have a wonderful summer. Happy reading!
