Listen to your mind and body.

Notice the worry.

Take a deep breath.

Ask yourself, "What am I worrying about?"

Ask yourself, "Is there anything I can do to make the worry go away?"

Let go of the worry. It is out of your control.

> Make a plan. What can I do? When can I do it?

Yes

Now!

No

Do it! Take action.

Let go of the worry.

Reflect on how you feel.

Decide when.

Later!

Let go of the worry.

Reflect on how you feel.
