**THANK YOU
SWAVESEY PRIMARY SCHOOL**

On behalf of Jimmy's Cambridge residents, we would like to say a huge thank you for the generous Harvest donation we have received from Swavesey Primary School. We very much value all your support, especially with the current cost of living increases.

Harvest has a long tradition of sharing food amongst all who need it. Communities came together to share what bounty they had to provide nutrition and comfort. But your Harvest donation goes further than just the provision of food. Here at Jimmy's, it does indeed provide nutrition but also it allows us to build relationships, offer support over a cup of tea, give choice to those who we support to cook for themselves. With each tin of beans, bag of pasta, box of tea bags shared a building block of support is laid.

Your Harvest donation helps us to cook more than 28,000 meals a year for those who are experiencing homelessness, as well as to provide food parcels, and essential products to those staying at Jimmy's.

It is a privilege for Jimmy's to see the best of our community through donations and offers of support from the community. Your donations will allow us to continue to support those facing homelessness as we enter the colder months, and hopefully lessen the impact of the cost of living variations.

Thank you again.

Best wishes from us all at Jimmy's,

Yours sincerely

Sara Dunn
Communications Officer
