Cambridge Punting

This beautifully illustrated book about punting in Cambridge is a great introduction to reading, and to punting in Cambridge. Written by primary school teacher Pip Barber with illustrations by Charlie Spurrier, this book focuses on Phase 4 phonics and will have your children reading in no time. Hopefully they will have some fun on the way!

Lovebirds

Sam and Solomon are two lovebirds who fall in love, have children, and grow old together. Like all lovebirds, Sam and Solomon are partners for life, working together for the good of their family and their fellow lovebirds.

A Melting Planet

Pip the polar bear lives on an iceberg with her family. But when the iceberg starts to melt due to the rising temperatures, Pip is separated from her mom and little brother. And so begins the biggest adventure of her young life!
