

## Year 3/4 Anglo-Saxon Homework - Summer Term 2023

Choose **one** activity of interest to be presented during the term.

This should be in the style of a project which should show a build-up of your work and development of thinking skills.

If you are making something, you may want to take photos and talk about why you have chosen this activity.

Think about how you are going to present your ideas to the class - you should be able to display your project so that it makes sense to other pupils.

All work must be completed by **Friday 23rd June**. We will be sharing work at school during the Summer Term.

Have fun and enjoy!
