Dear parent or guardian,

Does your child have any special dietary needs?

If NO, then you don't need to read this letter or do anything else.

If YES, then please read this letter and fill in and return the attached form.

Food allergies, intolerances and other dietary-related medical conditions are a growing concern for schools. Children who are affected can suffer a severe or even fatal reaction if they eat or come into contact with food they're allergic to.

So please:

1. Fill in the 'Information about my child's special diet' form as accurately as you can, describing any:

- Food allergies (for example to cow's milk)
- Food intolerances (for example to gluten)
- Other dietary-related medical conditions (for example coeliac disease)

Please don't use the form to describe your child's food likes and dislikes.

2. Return the form to the School Office before the end of the summer term.

Once we get this information, we'll share it with our catering partner Sodexo Ltd, so they can make sure your child gets alternative meals that are safe for them.

If your child's condition changes after you send us the form, you need to tell us as soon as possible.

We've included answers to frequently asked questions on the website, as well as information on the difference between allergies, intolerances and dietary requirements. If you've any more questions, please email office@swavesey.cambs.sch.uk

Thanks for taking the time to read this letter and filling in the attached form. Together, we can provide a really safe school environment for your child.

Kind regards
School Office
