Welcome back to the start of the new school year! Over the summer holidays the Education Inclusion Family Advisor Team facilitated 3 virtual workshops. The topics covered were:

- Impact of labels and styles of parenting
- Sibling dynamics and managing rivalry
- Strategies for behaviour that challenge.

We had 61 parents attend these workshops Feedback has been positive, and parents felt they gained further knowledge and confidence. Some parents said: "Very insightful", "Very helpful", "Well structured, useful tips and reassurance", "This was great". We always welcome feedback from parents so if you have any ideas for future workshops please contact us:
