

Hi all, name is Toby Burch.

I am happy to introduce myself as the new drum teacher at Swavesey Primary School. Here are a couple of things about me. I have been playing the drums since the age of two years old. It was during my time in primary school when I became increasingly interested in becoming a musician. I went on to study at one of the most/if not the most prestigious music colleges in the world, Berklee College of Music in Boston, MA USA.

I am now a full-time musician, sound engineer and drum teacher.

My teaching is an amalgamation of my ever-expanding knowledge and passion for music and education. I do so with a holistic, fun and student specific approach.

I look forward to meeting those interested in these drum lessons!

All the best,
Toby Burch
