

Topic Activity

23.3.20 - 3.4.20

Week 1

Research The Grand Canyon. You may want to find out:

- where is it?
- how was it formed?
- what activities can you do there?
- what is the climate?
- why do tourists visit?

We have attached a Power Point to get you started.

Week 2

Create a fact file or information sheet about the Grand Canyon for a tourist who is about to visit on holiday.
