

1.5.20

Dear Parents and Carers of Year 3 and 4 Children,

We hope that you have had a good week and that your child/children have responded well to the Home Learning Tasks that have been set.

As a team, we would just like to congratulate the children on the wonderful work that has been completed and saved in their MY WORK folder on Purple Mash. It is clear that some of the children have risen to the challenges of Home Learning and have demonstrated a range of their 5R skills such as responsibility, resourcefulness and resilience!

It has been delightful opening up some of the pupil's folders to find excellent, imaginative and creative pieces of work. A photo saved of a delicious salted caramel cake, baked by one of our Year 4 pupils, was definitely tempting. Fact files on Greece and The Grand Canyon have been presented in a variety of ways and bring back fond memories of holidays abroad.

We would like to thank you for all of your efforts in supporting your child/children. We appreciate that Home Learning may be frustrating and demanding in many ways. It is to your credit that most of our children are continuing to progress and learn in new ways whilst lock down continues.

Please get in touch by contacting the school office if you have any concerns or are struggling to use Purple Mash as our main Learning Platform.

Best wishes,

The Year 3 and 4 Teachers
