

## Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Conan and his uncle presented the villagers with gifts of salt.

Turi admired the highly skilled metalwork that had gone into making the bronze figurines and amulets.

Conan rode over to the Icenii village with his uncle.

Conan and Turi were taken to meet one of the Icenii's most skilled metalsmiths.

Conan and Turi followed the metalsmith through to a smoky roundhouse.
