

The Battle Of Marathon

What have you learnt?

LO. I can compare differing viewpoints from history.

Who was the war between?	
Why did the Persians want to invade Greece?	
What was the difference between the 2 armies?	
How would a Persian have felt before the start of the battle? Why?	
What about an Athenian? How would this have changed as the battle progressed?	
Where were the Spartans?	
Do you think they had a good reason not to join the battle straight away? Give a reason for your answer.	
Who was the most prepared for battle? Why do you think this?
