

My Acrostic
When Coronavirus has gone
Even though we have to be
careful.

We can at last play together
I have missed lots of my friends.
Luke is my best friend,
Luckily i have seen him on zoom.
My Grandparents I have missed
the most
Every time i visited, they gave me
sweets.
Every day i face time them,
Thats how we stay in touch.
Although i like spending time at
home
Games and football,
Are much more fun with friends.
I hope i can see everyone soon.
Not just on a screen but in real
life.
