

Persuade me!

LO. To write a persuasive piece of writing.

Have you got a place that you love to visit or spend your time?

Why do you like it so much? What makes it special?

Brainstorm words that are connected to your special or favourite place.

Did you use a thesaurus to find synonyms to up-grade your choice of words?

How does your favourite place make you feel?

Once again, you could use a thesaurus to find synonyms for your words.

Persuade someone to visit your favourite place. What are the reasons that they should go there?

Make a list of persuasive words which might encourage other people to visit your favourite/special place - even though you may want to keep it to yourself!
